Re: [BETA RELEASE] Fate's Veil - Kingdom of Amalur Save Editor v.7. First, thanks for the program! Whenever I use the program it shows a list of available .dds files to replace. And whenever I want to use .dds files, I use Fate's Veil Save Editor. Second, I like being able to save the results. This gives me the ability to save multiple .dds files. And that's why I want to save the results of the program to a file on the computer. I saved some of the results in Excel and some in HTML. I know you can just save the file, but that's inconvenient.
